

Commerce Reporter Expo Trade International, a leading trading company, started marketing of world's famous Hermes Sun's high quality and hygienic product 'urine drainage bags' in Bangladesh. Urine drainage bag is an essential surgical product for hospitals, clinics and pathologies across the country. Chairman of Expo Group Serajul Islam formally inaugurated the marketing of the item at a function at its Purana Paltan corporate office in the capital on Saturday evening. The product will be available across the country from next week, Serajul Islam said. Among others, Expo Group managing director Asad Chowdhury, business development manager Md Masum Hossain, deputy manager Md Akteruzzaman, head of marketing Joynal Abedin Khan and senior officers of the company were present on the occasion.
