Naogaon: A trader of Kaporpotti area in Sadar upazila town in Naogaon district died from Covid-19 on Monday night.

The deceased was identified as Nurul Islam Nuru, 58, of the area.

Sadar Upazila Nirbahi Officer Abdulah Al Mamun said cloth trader Nuru breathed his last at around 11:30pm.

Nuru was first diagnosed with coronavirus on May 30 and he was staying in home quarantine, the UNO said.

A total of 132 people have been infected with coronavirus while two people have so far died in the district.

Bangladesh has so far reported 49,534 coronavirus cases and 672 deaths. Among the total infection, 9,781 people have so far recovered.

Bangladesh announced general holiday from March 26 to May 30. Public transport movement and government and private offices resumed on May 31 as the government decided not to extend holidays anymore.

However, the educational institutions will remain closed until June 15.
